SHIPPING & PACKING

To ensure your fixtures arrive safely, Period Lighting uses the best methods and materials in preparing your items for shipping. Most fixtures will arrive via UPS. Some fixtures, due to their size, must be shipped by a reputable freight company. Period Lighting passes along all the discounts we receive from whichever carrier we use. Because of the complexity of our fixtures and the amount of fixtures each person orders, it is not easy to have a simple shipping price guide. Once your order is placed, our shipping department will decide the most economical way to get your fixtures delivered. You will receive an order confirmation from us itemizing your fixture choices along with the shipping and handling charges. If you have any questions after receiving your confirmation, please call.

PAYMENT

Visa, MasterCard or check accepted. {we do not ship C.O.D.} We require a deposit of 25% and will bill you approximately 3 weeks prior to date of shipment or charge your credit card.

DISCOUNTS

If your order totals \$1500 or more, you may deduct 5%. If your order totals \$2500 or more deduct 10%. No discount on bulbs or hooks.
